

February 28th, 2022 Meeting Minutes

We had 7 attendees

- Bryan Dell attended the meeting and we updated him on what's going on.
- Pot Holes from Metro Bus at church entrance will be taken care of by Township.
- Junk/abandoned car(s) on Maplehill no tags, rusted out and flat tires.
- Talked about Frost park neglected.
- Refrigerators and large items in creek adjacent to Frost Park near Shadow hill Dr. Joe reported to several agency including Township, Army Corps of engineer and EPA. Still not resolved.
- Some attendees plan to attend Township public townhall meeting Tuesday Feb 7th.
- Planning to organize a Dump Your Junk event for April or May. Joe will get with Township and church to set up.
- Explained to Bryan that we could not get a permit to do a flea market in church lot. Couldn't understand how the worlds longest flea market on Hamilton Ave. works.
- Discussed cars parked in yards leaving ruts. No long term solution known.
- Talked about electric utility aggregation with Township to use Dynergy as the provider unless opt out.
- Talked about Rumpke policy for taking large items and different plans.
- Pot holes will be taken care of if reported to Township. Also talked about getting roads resurfaced.
- Talked about illegal dumping in church lot and tires in Frost park. Tires in Frost park taken care of by Township.
- Talked again about traffic calming measures such as speed humps but no solution. Cincinnati installs them within city limits but nothing in townships.
- Discussed safety at Frost Park. Suggested security cameras to deter vandalism at play area.
- Discussed Shottelkotte park getting leased out.
