- We are in the process of setting up a flea market in collaboration with the church for Fall Fea market. No date set yet, but not in July. \$40 for 4 spots already collected. Suggested making a large S.H.A.G poster to hang at events. The new Forest Park website can do this for a fee.

Suggested selling prepackaged food because no time for permit. \$150 approved if we can pull this off.
- Went over the rules from Hamilton county board of health for serving prepared food as a temporary food service. Must apply for permit 10 days in advance. \$65 processing fee. Hand wash station can be as simple as an old coffee maker with water in it and a 5 gallon bucket to catch along with soap. 3 foil pans (wash rinse sanitize) for dishes. A thermometer for some foods such as burgers and fish. Also mention liability, Safety level ratings for different foods, along with experience of Health department shutting down a fundraiser at a baseball game in Forest Park for not getting a permit. Selling prepackaged food such as vending machine sized snacks do not need permit.
