

## January 28<sup>th</sup>, Meeting Minutes

- This was the first meeting at the [North Central Public Library](#). We will continue using this location until if or when Overflow Ministries Church becomes available. Will try to book library room for 4<sup>th</sup> Wednesday of month at 7 PM.
- Went over Library policy for using room. [The rules and policy can be found here](#).
- Michelle Thacker, Precinct executive for Springfield township was a guest at the meeting. The precinct executive role is to get people to register and vote at elections and work with the township. She is up for election on the May 2026 ballot.
- Went over the meeting notes from Chris Gilbert about the metro bus grant for getting roads repaved and a bus shelter with pull off in summer of 2027. [Meeting notes and details are here \(pdf\)](#).
- A suggestion was made to have students earn credit by painting a mural on the blighted business at the corner of Hamilton and Roosevelt (formerly The House Joint). Would need permission by owner but not sure who that is. Follow-up: Auditor shows it's registered to "10814 ASDK LLC". Ohio Secretary of State business search shows DARSHAN KUMAR, , WEST CHESTER, OH as Agent/Registrant for this property.
- Went over Status of Overflow Ministries Church reconstruction from vehicle damage last Year. It still has a ways to go. Apostle Bennie Fluellen gives [updates on Facebook that can be found here](#).
- Went over Junk vehicle code, what it covers, and responsibility of owners. You can find [details and how to report here](#).
- Went over study by township safety director on speed humps. Effectiveness was mixed noting they need to be every 300 feet to be effective, or will just resume speeding. Also slows down snow plows as they have to stop and adjust blade to avoid damage.
- Suggested starting a neighborhood social media group Such as this [Facebook Finnytown community hub](#).
- Discussed property tax elimination proposition, and how it would affect township services and schools.
