

March 25th, Meeting Minutes

- The House Joint is re-opened with new management. [Mr. Willeys House Joint](#) is the Facebook page if you want to check it out.
- NeatStreet Sevenhills cleanup event is Saturday April 18th. Springfield Township will provide a dumpster for large items and separately collect tires. Will ask Overflow Ministries church to announce event to help get volunteers. Suggested to bring food and drinks to encourage volunteers. Hollydale cleanup had coffee and donuts, along with free t-shirts.
- The hardfill site on Hamilton Ave by Hillman is supposed to be temporary. A required inspection is due at this time. Permit shows it expires 2028.
- Township is hiring 2 seasonal workers. Can apply online.
- Went over cost to apply and volunteer positions needed for 501c3 and voted to not proceed at this time, but to continue research as to what's involved and what's expected of volunteers.
- Finnytown has a civic group called "Springfield Township Action Committee" (STAC). Went to a meeting and found out it's really a Democratic political action committee. [They have a Facebook group here.](#)
- Had a general discussion on current state of Sevenhills. Would like more police presence. There is a sign with QR code on Sevenhills drive to allow permission for police to view home security camera video footage. [Information on program here](#) if you would like to share your cameras with police.
- Had a discussion on current state of Sevenhills Park. Suggested getting football goals installed. A smaller kids friendly soccer field and goals, improvements to walking path (wood chip path is 2000 ft.), and have the basketball court resurfaced, as weeds are already growing through cracks in blacktop that was re-sealed in 2024. Not sure what the budget is for this year.
- Shottelkotte park lease with Star Soccer is up for renewal in 2028. Put in a request with township to not renew exclusive use lease and return it to a township park that residents can use anytime.
- Meeting with Overflow Ministries and rebuild is along far enough that we can use meeting room again. Wednesday April 22 will be at Library. Will resume meeting at church on Monday May 18th. Then 4th Mondays of month rest of 2026. Will update calendar.
